Dear Barbara:

Congratulations! We are pleased to confirm that Philadelphia Housing Authority has participated in the SPI-HUD Green Organizational Accreditation Pilot and has fulfilled the requirements for Full Accreditation as of the date noted above. The enclosed certificate is proof of your accomplishment.

Full Accreditation is valid for five (5) years from the issue date. HUD will be in contact before the expiration date to inform you of the procedure for renewing the Accreditation. Please keep a copy of your submission spreadsheet and all back-up documentation for your records and for re-accreditation. SPI and HUD will keep a copy of your submission sheet but not your documentation.

Full Accreditation means Philadelphia Housing Authority has implemented best practices in both management of your housing portfolio and effectiveness of your operations. In particular, we commend you for your excellent tenant outreach materials, your comprehensive approach to employee involvement including the employee pledge, and your thorough communication strategy.

Best of luck in your ongoing pursuit of sustainability!

Sincerely,

Elisabeth Krautscheid
Director, SPI-HUD Accreditation Program
